Academic year 2021-22**

**International Congress
‘Hegel’s Aesthetics Today’**

Duration: 3 to 5 May 2022

Place: Urbino

SUBJECT OF THE CONGRESS

This International Congress is devoted to an in-depth analysis of Hegel’s Aesthetics, of its systematic placement in the ambit of the philosophy of Absolute Idealism, of its theoretical and critical development in contemporary philosophy, and, in particular, of its reception in the philosophy of Italian Idealism. Pertaining to the Congress’s programme is also the presentation and discussion of Giacomo Rinaldi’s recent book, *The Philosophy of Art*, Vol. 1 (The Pertinent Press, Oxford 2020).
